

School Residency Programme

We can tailor a residency programme to suit the needs of your school. We can provide workshops for students to help in the development of self-confidence, teambuilding, public speaking, or Drama skills. If you would like us to focus workshops on a topic such as resilience, courage or empathy, we are happy to design a programme that will best meet the needs of your students.

We can provide one teacher anywhere from a day to a week or a team of lead teacher and assistant dependant on the needs of your school. Our staff are trained professionals in Education and/or Theatre with current WWVP accreditation.

Cost: One teacher per day - \$500 – \$2500 for a week

Team - \$600 per day - \$3000 for a week

9am-3pm – Monday to Friday

We do require at least two weeks' notice in order to book a residency.

Please contact Mandy Mandy@lyteperformance.com or on 0458150170 to discuss how we can bring a little bit of 'LYTE' into your school.
