

## LYTE School Residency Programme

*We can tailor a residency programme to suit the needs of your school. We can provide workshops for students to help in the development of self-confidence, teambuilding, public speaking, or Drama skills. If you would like us to focus workshops on a topic such as resilience, courage or empathy, we are happy to design a programme that will best meet the needs of your students.*

We can provide a teaching team (when available) anywhere from a day to a week dependant on the needs of your school. Our staff are trained professionals in Education and/or Theatre with current WWVP accreditation.

**Cost:** Per day - \$550 – \$2750 for a week GST exclusive

9am-3pm – Monday to Friday

We require a minimum of two weeks' notice in order to book a residency.

Please contact Mandy [Mandy@lyteperformance.com](mailto:Mandy@lyteperformance.com) or on 0458150170 to discuss how we can bring a little bit of 'LYTE' into your school.
